OF THE

CANASERAGA CENTRAL SCHOOL

PRESENTS

The "CHIEFTAIN"

FOR 1948

Left to right: Mrs. Jaette Harvey, Canaseraga, N. Y., housewife and former teacher, Mr. Philo Gates, Canaseraga, N. Y., R. D., farmer and former teacher, Ronald S. Kingston, Canaseraga, N. Y., Postmaster and President of the Board, Joseph F. Clancy, Canaseraga, N. Y., R. D., farmer, and E. Robert King, Canaseraga, N. Y., Secretary to the Principal and clerk of the Board.

Absent: Fred Blakley, Swain, N. Y., Lumber contractor.

Board of Education

The members of our Board of Education are very well fitted both by their experience and by their varied interests to direct the management of Canaseraga Central School.

It is they who have made available the many opportunities we have enjoyed during our school years—an efficient teaching staff, the best equipment available, in fact, the countless facilities needed to make our school life both pleasant and profitable.

Therefore, the class of 1948 wishes to pay tribute to them and to take this opportunity to express their appreciation and thanks to each and every member of this Board of Education.

It has been wisely said, "As the spirit within has been aroused, so will our actions be guided." May we then be a credit not only to you but to ourselves in the years to come.

Words—Members of Rudiments of Music Class of 1945

Down in the valley
Under skies of blue,
Stands our Alma Mater
Glorious to view.

We shall remember
Throughout the years,
All we shared together,
The laughter and the tears.

So, Hail to Canaseraga
Long may she stand
Firm in tradition
The best in all the land.

Her sons and daughters
Always will be
True to Alma Mater
Canaseraga, Hail to Thee.

To The Class of 1948

You are told that you are living in an Age of Progress. In many respects that is true. Scientific and mechanical inventions, improvements and refinements have made modern America a land of opportunty and achievement. Mass production has given to the lowliest shop girl the fabrics, nylons, silks, perfumes and cosmetics which were once the prerogatives of only the rich. Advancement in the field of medicine has prolonged human life, science has smashed the atom and developed the atomic bomb, but it still remains to develop this great energy for the accomplishments of peace, while in the air man has exceeded the speed of sound and London, Cairo, Buenos Aires and the Orient are but moments away. Speed has shrunk the size of our World and the problems of one are now the problems of all.

In the field of Education enormous strides have been made. It was only a little over a century ago that the Indian war whoops echoed through the valley of Canaseraga and Indian maize was the food, while arrow heads and tomahawks were the implements of the day. Education was crude and brief dealing only with their primitive life.

It is a far cry indeed, from those days to the present. Take our modern schools. Consider their broad and varied curricula, auditoriums, gymnasiums, theatrically-equipped stages, sound and radio systems, motion picture and visual education equipment, bus transportation systems, library, art, shop, science and all the paraphernalia of a modern central school. The span, the amount and the caliber of education has grown beyond even the wildest dreams of our early fathers. This is true because we live in a Democracy, an "enlightened" Democracy, and Education is the only basis for any true program of progress and enlightenment.

MRS. JANE BACON

Our grade teachers have contributed Much to our success in high school. To show our appreciation to those who have helped us lay a foundation for future life, we, the Senior Class of 1948, do dedicate this "Chieftain" to a faithful teacher and true friend, Mrs. Jane Bacon.

Also to Romolo Barocco, our advisor, who, through his excellent guidance and friendly companionship has won our affection and influenced our lives, we dedicate this edition of the "Chieftain."

Stephen Franklin Karr

In Memoriam

Less than a month after this young alumnus of our high school came back to visit his Alma Mater, he had passed from our midst. Widely known and well-liked among the entire student body, Stephen Karr had influenced us more than he ever knew.

We looked up to "Steve" when he was a Senior and laughed when he entertained us. He sat in the first chair of the trumpet section of the band. He played "Father" in the Senior Play. He was an assistant scoutmaster. In his Senior year "Steve" won first prize for boys in the Speaking Contest. In June, 1945, "Steve" was graduated. Upon graduation he enlisted in the U. S. Navy from which he was honorably discharged in January, 1947, and came back home to live.

Then, in February, 1948 Stephen passed away. The funeral was in the Presbyterian Church on a warm, springlike day. A large group of people of all ages attended and many stood, for lack of seats. There was soft music before the service, which began with a prayer by Rev. James Roy, Pastor of the Larger Parish Church. Following this, there was reading of the scripture by Rev. James Cole, pastor of the Methodist Church and a solo by a young friend, Paul Ritenburg of Arkport. There were a few comforting words, another prayer and the benediction. Six young men, his friends who had watched him grow up and had grown up with "Steve", were pallbearers. A firing squad stood at attention as they passed. Later came a military salute of eight guns followed by the always beautiful notes of "Taps."

Physically this was the end but Stephen will live on in the hearts of his many friends. As a group of those friends, we, the Senior Class of 1948, in our yearbook have set aside this page in memory of Stephen Franklin Karr.

Class Will

We, the sophisticated class of nineteen hundred and forty-eight of Canaseraga Central School, Town of Burns, the County of Allegany, State of New York and Country of the United States of America, being sound in mind and memory, do make, publish and declare this our last will and testament in manner and following that is to say—

First—To our principal, Dayton E. Murray goes the largest part of our estate in the form of our deepest and most sincere appreciation and gratitude for the guidance and advice he has given us throughout our years in high school.

Second—To Mr. Romolo Barocco, our Senior advisor and also to our class advisors of our Freshman, Sophomore, and Junior years, we extend our thanks and appreciation for the help they have given us along this pathway of life.

Third—Not being rich in worldly goods, we can bequeath only our thanks to all the teachers, both in grades and high school, who have labored long and untiringly to give us such a firm foundation and the desire to reach to this goal—GRADUATION.

Our next thoughts turn naturally to the Classes of Canaseraga Central School.

Fourth—To the next Senior Class, success in co-operating with each other and your advisor.

Fifth—To the next Junior Class, success in having a profitable Junior Prom.

Sixth—To the next Sophomore Class, we leave all our toys, gimmicks, darts, and whatnots so they can use them to annoy the teachers. (As we have done in the past)

Seventh—To the next Freshman Class, we leave a good supply of teething rings and rattle boxes to keep them quiet or to use in helping to make the incoming grades way-wise or at least give them some entertainment.

We would not like to close this document without a few personal gifts to our friends on the upper floor, so—

Eighth—LaVerne Adams wills to Fred Blakley his pitching ability and also his razor. ("Shave them off, Fred")

Ninth—Helen Marie Chapman leaves her Basketball ability to Leona Austin.

Tenth—To Grant Case, Allyn Clarke leaves his big chest and strong muscles.

Eleventh—Don Garwood wills his graceful performing ability on the parallel bars to Matt Leach.

Twelfth—Helen Gates leaves her diet to "Kitty" Piyak.

Thirteenth—To Helen Wampole, "Kitty" Gates leaves her shyness and quietness.

Fourteenth—"Jake" Gelser leaves his farming ability to Ted Savey.

Fifteenth—To Lois Ann Kiley, Mary Jane Gemmel wills her soft voice.

Sixteenth—Georgianna Glover bequeaths her secretarial ability to Junior Swain.

Seventeenth—"Baldy" Longwell wills his locker to "Bud" King. ("Be sure it's the right one, Bud")

Eighteenth—To Helen Bird, Jean Mann leaves her high ranking position in chorus. ("You know your stuff, Birdie")

Nineteenth—"Ginny" Mess leaves her non-jealousness to "Kit" Ludwig.

Twenty—Bill Norton leaves his "brush cuts" to Don Carpenter.

Twenty-One—Gretta Shay leaves her graceful walk to "Bob" Stonebrook and her cheerleading ability to Paula Bennett.

Twenty-Two—To Posey Flower "Ted" Sleggs leaves his curly hair and his ability to get along with girls.

Twenty-Three—"Ray" Travis leaves his socker ability (as goalie) to "tinker" Gregorius.

Twenty-Four—To Milton Harvey, Onnolee Thompson wills her musical ability. ("Keep it up, Milt").

Twenty-Five—Marion Wampole leaves her "wise cracks" to Helen LaMonte.

Twenty Six—"Grit" Wilson wills his ability to get along with girls to Fay Bennett.

Twenty-Seven—To Janet Livergood, Cloy Worden leaves her position as "Belle of Birdsall".

In witness, thereof, We the Golds and Blues of 1948, do here unto subscribe our names the twenty-fourth day of March in the year of our Lord, nineteen hundred and forty-eight.

The testators named above who subscribed their names to this sheet of paper in the presence of us herein declare this to be their last will and testament and request us to sign our names here unto as witness to the execution thereon which we hereby do in the presence of the testators on the date of the said will.

Class Prophecy

"NEWS FLASHES"

Attention Mr. and Mrs. 1958!

The Class of 1948 of Canaseraga Central School has recently held its annual Pow Wow. The members want to extend their deepest sympathy to all the teachers who are struggling so long and valiantly to help you graduates of 1958 achieve your goal—"GRADUATION."

Attention 58ers!

Congratulations are in line for all of you. It's now ten years that we have been away from the old "Alma Mater." We hope that your winding road into the future will be as successful as ours has been. 1948 saw several of our class mates entering various outstanding colleges. We hope you are looking onward too.

Attention Racing Fans!!

Al clark, graduate from Canton College, is now owner of the famous "Anita Downs Racing Track."

Helen Marie Chapman, highest salaried solo dancer in Radio City, has been able to indulge in her fast racing horse hobby. Her horse took the 1958 trophy on Mr. Clark's Track.

Attention Canaseraga!!!

Miss Mary Jane Gemmel, graduate of Buffalo School of Nursing, recently married her head employer, Dr. John Mayo of Rochester, Minn. They have finished rebuilding the Mayo Mansion after its bad fire and are having their house warming this evening. Mary wishes all her class mates could be present.

Daniel Gelser and Don Garwood, graduates of Alfred University are now two very important men in history books for their new and faster methods of pasteurization. It was said to me and I quote, "They are the richest men this side of Canaseraga Creek."

Helen R. Gates, also graduate of Alfred University, class of 1952, has just been appointed head of the department of Othnithology there. Alfred students say she is "Top" and their fondest wish is that someday she will become Dean of the University.

Miss Onnolee Thompson, graduate of the University of Buffalo has been handed the contract for Canaseraga Central School dietician and Homemaking teacher. She also has been thinking of "Wedding Bells" (We wonder which contract will get her signature first.)

Attention Professional Artists!!!

Rev. William Norton, minister of the Canaseraga Greater Parish Church was married to—Can you guess who? Wrong! --Jane Powell upon leaving Colgate Divinity School. Alden Longwell, designer of Longwell Convertibles was Bill's best man. Hot off the wire--Alden has just used his profits from his Pat. to become younger partner in the Bennett, Inc.

Ace Adams and his "dearly beloved" will be united at Bill's church this coming Saturday. The following very distinguished guest professionals will attend the wedding:

Mr. Ray Travis—Veterinary at Tarrytown, New York—also sings at Carnegie Hall every Wednesday night.

Mr. Eugene Wilson, eligible Bachelor of "The Angell Brats" 1948 will be present with his family from Buffalo. Mr. Wilson has just been elected President of Buffalo Television Board.

The famous Yankee "Pitching Star," Ed Sleggs, better known as "Sluggs" will spend the week-end in Canaseraga for the gala affair.

Attention South America!!!

The beautiful airline stewardess, Marion Wampole, has been found. She was seen last night at the "Rumba Club" giving her hips a beating. On interviewing Marion we hear—Miss Georgianna Glover, former Secretary of Warner Bros. is arriving in South America tomorrow to spend her honeymoon at the lovely furnished apartment of Miss Wampole which fronts the sea.

Attention Hollywood!!!

The debs are all 'thrown back' after hearing of Miss Virginia Mess's refusal. She has been Al Ladd's secretary for five years now and when he offered her a $5,000 engagement ring she refused it, quit her job and has flown back to New York where she will meet her "Richard."

Miss Jean Mann, hair stylist for R.K.O. studio was secretly married last night to Donald McCallister. (We wonder what happened to poor "Red")

Attention Paris!!!

Miss Gretta Shay, guest singing star at "Paris Cafe", has decided to stay in Paris and introduce her latest costumes in the New York-Paris Fashion Show. She said and I quote her: "I'm so enthused regarding my entries in the show that I am wiring for the famous fashion queen—Kathleen Gates, to fly here as soon as possible to model the gowns I shall exhibit."

Miss Cloy Worden is now in Paris to start the new movie production of "They called him Duane." Critics say it has a very good chance of taking the 1958 Academy Award. When Kathleen arrives, Cloy and Gretta are planning an afternoon chat over a cup of tea about old times at C.C.S. including our graduation in 1948.

Thus ends the news flashes of '58 and '48. "This broadcast has been brought to you through the courtesy and kindly spirit of the original Senecas who first trod those hills of Burns and inspired your predeccessors in Canaseraga Central School to introduce that ever famous "Chieftain."

"May the Spirit within lead each of you ever onward."

When we entered Senior High School in September, 1945, we chose Mr. Esco Newhill for our advisor. The officers were elected as follows: Ralph Kurtz, President; Edward Sleggs, Vice President; Gretta Shay, Secretary; Bill Norton, Treasurer. Georgianna Glover and Allyn Clark were Student Council Representatives. During the year we held a hay ride with a party afterward at the Scout rooms, and at the end of the year, our final picnic was held at Stony Brook.

During our Sophomore year, Mrs. Spader became our Class Advisor, with the following staff of officers: Edward Sleggs, President; William Norton, Vice President; Helen Marie Chapman, Secretary and Treasurer. The Stud-

We, the Juniors, hope to reach our goal in June and take the place of the present Senior Class. The class is the same as in the Freshman year with the exception of Patricia Ames who joined us this year and those four who left for various reasons.

Early in the fall we had a square dance which didn't prove successful. A bake sale was held to raise money for a Junior Prom which could not be held for financial reasons.

On March 5, the biggest event in our school life happened—we ordered our senior rings.

We hope to raise enough money next year for our senior trip.

Sophomore Class

The Sophomore Class entered its new homeroom, the library, in September, with 25 members and a lot of hope and ambition for the new year. Things got off to a good sttart and have gone fairly smooth ever since. We lost one member, Jane Howes, and have had some serious illness. We have also had some good times and a few arguments. At Thanksgiving we brought food from home and had our own dinner in the Homemaking rooms, thanks to the generosity of Mrs. Pratt. At Christmas and at St. Valentine's time, we celebrated in the library. We had candy, coke, eats, and gifts or valentines galore. We had the school record player and did a little dancing to celebrate.

Now as the school year draws to a close, we feel that it has been a good year, with a lot of good hard work accomplished and much learned.

In September 1947, we proudly took our places with the rest of the High School and felt that we had accomplished another milestone in our careers. Although we were but lowly Freshmen we were determined that with good organization and leaders we would soon gain recognition as a most capable group that would make the "Senior Chieftain" proud of his "papooses."

In October we organized as a class and have since been as busy as the proverbial bee.

To get better acquainted we first planned a roller skating party to be held in Bath. We arrived there only to find the rink closed. At any rate we enjoyed the ride and the lunch and had lots of fun.

At Christmas time we held a party in our room. Gifts were exchanged and refreshments were served.

We could not let February 14 go by without a Valentine party. Valentiines were received by and from everyone in the room and we all had fun reading the verses on them. Refreshments were also served.

This, being our freshman year, we adpted the motto "a penny saved is a penny earned" so that when we get to be seniors we shall be able to have a senior trip without too much more work to do at the last minute.

Through the home room group we have been able to enjoy life in our home room leisure time better.

We had a Thanksgiving dinner in our room, a Christmas tree and party; in fact, we have had all the fun that goes with special days—of course, not forgetting to exchange names for that "treasured" Valentine.

The June final picnic has not yet been planned but no doubt "Stony Brook" will be our gathering place and by the time you read this we shall have had our "swim" and our "feast."

Seventh Grade

The first business of the seventh grade was that of choosing officers. The following people were elected:

President	Albert Clancy
Vice President	James Luce
Secretary	Arlene Gregorius
Treasurer	Hazel Thompson
Student Council Representative	Lucille Clark

The school year opened with 34 people in the grade, Since that time some people left and others have come into the class. At present there are 35.

It was decided in September to collect dues each month. The money collected was used to pay for decorations and refreshments for the Christmas party. Now plans are being made for the annual picnic in June.

Front row, left to right: Errol Kiley, Jean Gaby, Helen Brokaw, Phyllis Isaman, Marilyn Yencer, Mr. Burgess, Roger Perkins, Lauren Oliver, Richard Stephens, James Fogle, Keith Hanchett, James Luce.

Absent: James Paine, John Truax.

Sixth Grade

Since the beginning of the year, Roy Button, Kathleen Conroy and Shirley Galloway have left us, and Glenda Coombs has joined our class. We were sorry that James Paine and John Truax were not in school the day our picture was taken. This year our grade presented a Thanksgiving program called "A Thanksgiving Dream".

Fifth Grade

When school started in September, there were 32 in our grade, now we have 34. Nelson Smith was absent the day the picture was taken.

We gave a play for our part of the Christmas assembly program with the third grade. With the fair money our grade received we purchased a play ground ball and an aquarium.

Our class has been particularly interested in Social Studies this year, learning about the settlement and struggles of our country in its development.

Absent: Clair Gordon.

Fourth Grade

The Fourth Grade is the largest grade in the school. There are 44 pupils, consisting of 20 girls and 24 boys. Clair Gordon was absent when this picture was taken.

We have had a pleasant year together. In October, we had a Hallowe'en party and parade. At Christmas time, we put on an assembly program with the Sixth Grade. We also had a Christmas tree and party in our room. In February, we had a Valentine box which was greatly enjoyed. Near the close of school in June, we held our annual grade picnic.

Third Grade

We are the Third Grade. There are 38 of us. We try to do our school work well, and we also have lots of fun. We learned to do the Virginia reel and some square dances during the noon hour. Mr. McNabb asked us to do them at the Physical Education Demonstration.

All of our girls are cheer leaders. They gave cheers at a pep meeting, and the social night. We give cheers when our basketball team plays, too. We didn't win any games, but once we tied the fourth grade.

We have tried to have nice cafeteria manners, and have won free ice-cream several times.

Beverly got a baton for her birthday, so now we want to learn to twirl batons.

We had a bird house contest in March. We had 23 bird houses. We hope the birds will like them as much as we did.

Front row, left to right: B. Glover, S. Coats, R. Dorey, G. Yencer, R. Fritz, Miss Bluestone, P. Phillips, R. Garwood, C. Hameister, F. Worden, R. Butler, S. Dresser.

Third row: C. Freiner, D. Lyttle, S. Button, M. Fox, R. Mann, P. Englert, L. Hubbard, A. Conkey, and J. Cone.

Absent: Judith Ames.
Kenneth Burdick, David New, George White.

Second Grade

This is the picture of the Second Grade. There were thirty-two in our grade, twelve boys and twenty girls. Two more boys joined us after the picture was taken.

We have had a nice time playing and working together this year. At Hallowe'en time we had a party and parade, then at Christmas Santa visited our room.

In March we enjoyed putting on a Spring Assembly program with the First Grade.

First Grade

There are thirty-two in our grade now but there were only twenty-nine when the picture was taken. Since then Carol and Jimmy Coombs and Judith Kinney have become members of the grade.

Some of our special events were a Hallowe'en party and parade in October.

Christmas was an exciting occasion because Santa Claus visited us in our room.

We celebrated Valentine's Day and Easter with parties.

In March we were busy along with the Second Grade in putting on a Spring Assembly program.

We have learned to read and write, draw pictures and sing many little songs among other things. Altogether our first year in school has been happy and worthwhile.

Front row, left to right: Janice Kiley, Jean Brokaw, Roger McCarthy, Randy Scott, Billy Clancy, Mrs. King, Philip Bacon, Anne Oliver, Edward Fox, Jean Berry, Patricia Carney, Edith Armistead.

Second row: Amanda Ellis, James Ames, Robert Hess, Gerald Rose, Richard Jenks, Nadine Bowen, Beverly Phillips, Gaylord Sick, Roberta Buchanan.

Back row: Durwin Durnion, Carol White, Sandra Beach, Carlton Dennis, Charles Hults.

Front row, left to right: Marie Underwood, Maynard Truax, Shirley Isaman, Mrs. Newville, Keith Gaby, Joan Carnes, William Livergood.

Second row: Barbara Spike, Terrance Yencer, Richard Blakely, Sharon Swain, Darlene Rawleigh, Geraldine Spike, Doyle Livergood.

Swain's School

There are fourteen in our school. Doris Sleight isn't with us.

We have had many nice times this year. Our first party was at Hallowe'en. We wore funny clothes and masks.

Our mothers came to our Christmas dinner. The third grade children were Santa's helpers and gave out the presents.

The first grade made our Valentine box which was blue and was decorated with many red hearts. The postmen who delivered the valuable contents of this box were the members of the second grade.

In March we had a surprise party on Sharon's birthday. Her mother brought a gingerbread boy, rabbit cookies and ice cream sticks.

We made our Easter baskets and left them on our desks. We must have been good boys and girls as the Easter Bunny filled them. Each one colored two eggs for his father and mother.

Now we are looking forward to our last party. We always have a Hot Dog Picnic and do our races. Everyone is trying hard to be the fastest runners or best jumper on this occasion.

ACTIVITIES

Seated, left to right: Reva Butler; William Norton, Vice President; Virginia Mess, President; Marilyn Wentworth, Secretary-Treasurer; Ted Savey.

Standing, left to right: Esther Ludwig, Lucille Clark, Prinicpal Murray, Donald Carpenter, Mary Monaghan, Audrey Saxton.

Student Council

Our Student Council has been particularly active this year; we undertook the complete revision of the Student Council Charter and program. The new Charter was arranged by Virginia Mess, Marilyn Wentworth, William Norton, Ted Savey, Reva Butler, Mrs. Aber, Mr. Pratt and Mr. Murray. It was formally adopted at an assembly of the entire student body and goes into effect with the Student Council election in May.

The Student Council sponsored a Social Night in February which was highly successful, netting about $45, and skull caps were sold to the student body. With the profits from these events, combined with the proceeds of a square dance and social night planned for April and May respectively, we feel that we will have a considerable down payment for an electric score board for our gymnasium. We have voted to conserve the proceeds from this year's activities and this, combined with the money we hope to raise another year will enable us to secure the score board.

That is the present operational project of the Student Council.

We wish to give credit to Donald Rollins of the 9th year Home Room who left school in January. Donald was a good member. a fine boy and we shall miss him. Audrey Saxton was elected to take his place for the balance of the year.

Hats off to the Literature Club and Press Club for making possible the production of this year's Chieftain. The coordinated effort of both clubs put the advertising campaign well over expectations—a proud precedent for future classes. This coupled with the literary efforts and the desire of both groups to make the Chieftain of 1948 the best yet has brought forth this wealth of material for all to read. We hope it pleases you.

Library Council

The Library Council is divided into two sections, junior and senior, which meet on alternative Tuesdays in the library. Each group has learned how to mend and repair books. Nearly 100 books for both elementary and high school pupils have been repaired this year. Two of the Council members, Gerald Glover and Bud Clancy earned their Boy Scout Bookbinding Badges this year.

Library Council also prepares displays and bulletin boards. The members help to check out and shelve books. They have also filed catalog cards and added greatly to the picture files. The good work of these boys and girls has done much to make our library more attractive and more efficient.

Band

Both in school and community affairs the band has been very active this year. They entertained the PTA, high school assemblies, participated in the Annual Musical Festival which was held at Cuba Central School. The band also led the parade Memorial Day and made a performance at the 10th Annual Spring Concert. Now concluding the year they will play for graduation.

HOMEMAKING

"A Stitch in Time Saves"

You have heard "A stitch in time saves nine," but the girls sewing in this picture know it saves more than nine and so they say it saves. They save money by making clothes or making over some garments and by selecting ready made clothes more wisely. They save time too by always having their clothes repaired, clean, neat and in order.

"Way to a Man's Heart"

The Homemaking "A" girls in their very attractive and convenient kitchen are learning the way to a man's heart by planning, preparing and serving attractive and nutritious meals.

They are also learning to buy food more wisely and economically which should also help to capture your heart. Look out boys!

Our Parent Teacher Organization was formed in 1946 and has just completed its second full year of activity with a paid membership of above one hundred.

Two main events were carried out during the past year to add money to the treasury—first, a dinner served in the Cafeteria and, second, a play, "The Man from Boot Hill."

The Association's outstanding "good deed" for the year was the purchase of a "Wire Recorder" which was presented to our school.

The theme for 1947-1948 was "The Health of Our Children" which shows definitely the cooperation between parents and teachers that has been fostered through this organization.

Baseball

"Eye on the Ball"

With hopes of bettering last season's record of four wins and three losses, the baseball team is busily preparing for a successful season. We will play five league games and three or more practice games depending on the weather conditions. Considering that we lost only three of last year's nine, prospects are rather bright for several victories.

Second row: Coach McNabb, Clancy, Gelser, Harvey, Carpenter, Stonebrook, Swain, Kelsey, Neetz, Norton.

Basketball

According to statistics the basketball team had the best season since 1942-43. For the last two years the varsity had won only one game each year. This year's record of four wins and nine losses shows improvement. Greatly aided by the high scoring of Flower, the Junior varsity succeeded in winning eight games and losing five.

The Varsity is as follows:

Raymond Travis, Captain	Donald Garwood
Edward Sleggs	Alden Longwell
Allyn Clark	Fred Blakley
LaVerne Adams	Fred Ludwig

Manager William Norton

The Junior Varsity is as follows:

Robert Stonebrook, Captain

Donald Rollins	Leonard Neetz
Daniel Gelser	Everett Swain
Donald Carpenter	Richard Kelsey
Wesley Flower	Milton Harvey

Manager Albert Clancy

Back row: D. Carpenter, F. Ludwig, F. Blakley, L. Neetz.

Soccer

We have come a long, long way since last year when we won only one game. The statistics are reversed now so that they reveal only one loss in eight games. That is the best record of any soccer team in the history of our school—one which the whole team may be proud of and especially co-captains, Longwell and Clark. Highlight of the season was our 2-2 tie game with Fillmore who not only were county champions but sectional champions as well. This game proved to all that Canaseraga was second to none when it came to the kicking game. If our theme song "Let's go see Edie" (score another goal) had come true once more we might have been the ones to carry home the trophy.

Cheerleaders

"Green and White, fight, fight!"

Fight Team Fight- This familiar sound has echoed through the halls of C. C. S., urging our teams to hopeful victories. These cheers so vital to the morale of any team are primarily the result of the skillful and enthusiastic leading of these "girls behind the teams." The varsity cheerleaders are: Wentworth, Mess, Shay, Yencer, and Kiley.

Archery

Ready, Aim, Fire!

Changed considerably from the bow and arrow of the Indian, archery is now a popular activity in girls' physical education. The picture below reveals a group of senior girls demonstrating this primitive pastime.

TO THE CLASS OF 1948

(Continued from Page Four)

But in the midst of all this so-called "Progress", this "Education" and "enlightenment," we find a strange paradox. We find an entire World torn with war and strife. We find racial and religious hatred as intense as that of medieval history. We find starvation and want in the midst of plenty. We find man concluding one World War, drawing a deep breath, and preparing for another one. Why is this?

It is because the character, the heart and the spirit of Man has not fully changed. The veneer of civilization is thin. Education has not penetrated to the Spirit nor made any change in Man's Soul. Until it does and until he is willing to practice the Golden Rule as well as preach it he cannot rise to those heights he desires to achieve.

You are another generation. You are completing your High School education. That is only a beginning. Look you well to that which lies within yourself for "as you are in your heart, so are ye." The World is desperately in need of **real** men and women, men and women of finer character, higher courage and stronger moral fiber to assume the responsibilities and burdens of a torn and bewildered civilization. **You** are these men and women. Lift high your heads and be glad.

Dayton E. Murray,
Principal

SENIOR CLASS

(Continued from Page Twenty-Four)

ent Council Representatives were Gretta Shay and Leonard Serusa. Activities of the year were a hay ride and a Sox Dance at the home of Gretta Shay, and a Valentine Party at the home of Georgianna Glover.

Upon entering our Junior Year, we chose Mr. Gamble as Class Advisor with the following officers: President, Allyn Clark; Vice President, William Norton; Secretary, Helen Marie Chapman; and Treasurer, Gretta Shay. Jean Mann and Ted Sleggs were Student Council Representatives. Our big activities of the year were selecting our Class rings and Our Junior Prom with music furnished by Andy Grillo. During the year we also held a round and square dance and attended a movie in Hornell after which we held a party with Jean Mann at Mrs. Loyal VanDyke's.

As Seniors we have been vigorously planning and carrying out activities to earn money for a Senior Trip. We have been fairly successful in all our undertakings. We have held two dances, a spaghetti supper, three bake sales, a magazine drive, the show "Luckner, the Magician" and a Chicken supper.

In April the Senior Play, "The Angell Brats" was a decided success and now we are looking forward first to a Senior Trip then June 28—GRADUATION.
